

Temple Chai's Scrip Program

What is the Temple Chai Scrip Program?

By selling gift cards at face value, organizations such as Temple Chai receive a percentage of sales. This benefit is offered through merchant programs designed to benefit non-profit organizations. There is no cost to those who purchase the gift cards. **Please participate!** With everyone's participation in Temple Chai's scrip program, the Temple can easily earn \$100,000 or more annually – at absolutely no cost to you.

Purchase Gift Cards at the Temple.

Many gift cards are available at the Temple for direct purchase by check or cash. We always have on hand many of the most popular stores, including: Safeway, Albertson's, Fry's, Whole Foods, Starbucks, Home Depot, Wal-Mart, PetsMart, Best Buy, Barnes and Noble, Game Stop, Toys-R-Us, and many, many more. We also are carrying discount movie tickets for Harkins and AMC theaters.

To Receive Your Order by Mail.

Free Home/Work Delivery: Volunteers will hand deliver your scrip orders. When choosing this option, please be specific about time and location for delivery. We need a two-day window during business hours in which to make the delivery.

Can cards be reloaded?

Fry's and Basha's grocery stores will credit Temple Chai when you reload a card that you purchased from us. You can use your credit or debit card to do this as well as cash or money order.

Refilling a Fry's Card: Ask the cashier to put a specified amount of money on your Fry's gift card BEFORE he or she starts ringing up your groceries. (This will enable you to use the gift card on your purchase.) You can also refill your Fry's card at the customer service counter.

Fry's is especially BENEFITIAL TO TEMPLE CHAI: The Temple receives a credit for 6% of your gift card purchase from Fry's. Fry's gives away over \$4 million per year to non-profit organizations through this program.

Are there other benefits for Temple Chai?

Safeway gift cards are not re-loadable, but they do have a *Community Program* where you can register your Safeway Club Card so that the Temple receives an additional 1% credit for all your purchases, no matter how you pay. To register for the Community Program, go to www.escrip.com and enter you Club Card number. (You can call Safeway at 877-723-3929 to retrieve it.) Safeway also has *Gas Up at Safeway!* You can use your Safeway gift cards to buy gas at Safeway.

Whenever you fill the tank, a few dollars goes to Temple Chai.

Albertson's Grocery Stores also have a Community Program where you can use a small swipe card each time you shop so that the Temple receives an additional 1% credit for all your purchases, no matter how you pay. To get your Albertson's swipe card, stop by the Temple offices, or e-mail Joe Miller at the below address, and we will gladly mail one to you.

Will the script program adversely affect the funds that these stores give to my child's school through the Community Education program?

Gift cards do not conflict with Community Education programs. In fact, our religious school is eligible for Safeway and Albertson's Community Education programs and you need to sign up separately for them. Safeway registration is through E-Scrip (www.escrip.com). Albertson's provides a swipe card that you can obtain from the Temple. Please note: You can only designate one school to receive Community Program rewards.
