

# What is the Temple Chai Scrip Program?

Through various merchant programs designed to benefit non-profit organizations, Temple Chai has cobbled together its Scrip Program, which involves the sale of gift cards at face value – with Temple Chai receiving a percentage of the card purchases from the merchants. There is no cost to those using the gift cards. All card purchases must be paid by check or cash.

**Purchase Gift Cards at the Temple.** Many gift cards are available at the Temple for direct purchase. We always have on hand many of the most popular stores, including: Safeway, Albertson's, Fry's, Whole Foods, Starbucks, Home Depot, Wal-Mart, PetsMart, Best Buy, Barnes and Noble, Borders, Game Stop, Toys-R-Us, and many, many more. We also are carrying discount movie tickets for Harkins and AMC theaters.

**Order your Gift Cards.** Order forms are available in the Temple office, or on the home page of our website, at [www.templechai.com](http://www.templechai.com). On the website, or in the office, we also have a list of over 900 merchants participating in the gift card program. Orders received in the Temple offices by noon on Sunday are available on the following Wednesday afternoon.

**Order by Phone, by Fax, or by E-mail.** To order in this fashion, you must first have your checking account information on file in the Temple's accounting office. This involves one call to Wendy or Dawn at 602-971-1234 in that office. The information is handled confidentially in that office only. Then, to order by phone, call Debbie Wink at 602-971-1234. To order by fax, print the order form from the home page of the Temple's website. To order by e-mail, simply e-mail [scrip@templechai.com](mailto:scrip@templechai.com).

**To Receive Your Order by Mail.** While there is a cost to the Temple when mailing your order, as we purchase insurance, we will gladly mail to you. Just know that a signature will be required for delivery by the US Postal Service, so you may wish to consider having it delivered to your place of work.

**Fry's Grocery Stores.** Fry's gift cards purchased through the Temple are re-loadable at Fry's stores. When re-loading your gift card at Fry's, you can use your debit or credit card to do so. Please see the reverse of this form for more information.

**Bashas' Grocery Stores.** Bashas' gift cards are re-loadable in exactly the same way as Fry's gift cards.

**Safeway Grocery Stores.** Safeway gift cards are not re-loadable, but we always have plenty on hand for purchase or order. Safeway also has a Community Program where you can register your Safeway Club Card so that the Temple receives an additional 1% credit for all your purchases, no matter how you pay. To register your Safeway Club card to benefit the Temple, go to [www.escrip.com](http://www.escrip.com). To register, you will need to know your Club Card number. If you do not know it, simply call Safeway at 877-723-3929 to quickly retrieve it.

**Gas Up at Safeway!** That's right – you can use your Safeway gift cards to buy gas at Safeway. Whenever you fill the tank, a few dollars goes to Temple Chai.

**Albertson's Grocery Stores.** Albertson's gift cards are not re-loadable, but we always have plenty on hand for purchase or order. Albertson's also has a Community Program where you can use a small swipe card each time you shop so that the Temple receives an additional 1% credit for all your purchases, no matter how you pay. To get your Albertson's swipe card, stop by the Temple offices, or e-mail Joe Miller at the below address, and we will gladly mail one to you.

**Please participate! Through these programs, and with everyone's participation, the Temple can easily earn \$100,000 or more annually – at absolutely no cost to you.**

For comments and questions – Joe Miller at [jmiller@templechai.com](mailto:jmiller@templechai.com) or 602-971-1234.

# How to use your Temple Chai Fry's Gift Card

All of the Fry's gift cards purchased from Temple Chai are re-loadable and coded so that Temple Chai will receive a credit every time you put money on your card. Cards can be re-loaded at any Fry's store. **You can use your debit or credit card to re-load your gift card at Fry's.**

## How to re-load your Fry's gift card

**At the check-out line.** BEFORE the checker starts ringing up your groceries, simply ask them to put money on your Fry's gift card. When putting money on the gift card, you may put on however much money you wish and you may pay however you wish – including using your debit or credit card. Then, after your groceries have been rung up, simply pay using your Fry's gift card. Remember, you must load your gift card with money BEFORE the checker starts ringing up your groceries.

**At the customer service counter.** You may put money on your gift card at the customer service counter any time so that your gift card will be loaded before you get to the check-out line.

**BENEFIT TO TEMPLE CHAI:** Every time you purchase a Fry's gift card from Temple Chai, or re-load your Temple Chai Fry's gift card, the Temple receives a credit for 6% of your purchase from Fry's. There is no cost to you.

Fry's gives away over \$4 million per year to non-profit organizations through this program. There are participating organizations earning over \$100,000 per year. Temple Chai is a large enough community to reach this level. Our level of success is simply dependent on getting everyone on board!

## GROCERY STORE MYTH-BUSTER

**Fry's** has a Community Education program that many of us participate in to support our children's schools. (Temple Chai is not eligible for this program.) Using Fry's gift cards through the Temple Chai Scrip Program does not conflict with the Community Education program. Your purchases with our Fry's gift cards credit the Temple, and your child's school is also credited, as always, through the Community Education program.

**Safeway** also has an Education program, which Temple Chai IS eligible for – it is the program on the reverse of this form where you register through E-Scrip. If you already use this program to benefit your children's school, and wish to continue to do that, then you may not also have the benefit go to Temple Chai. However, you can still make your purchases with Safeway gift cards purchased at the Temple to benefit the Temple. Both the Temple and your children's schools will benefit – there is no conflict between the programs.

**Albertson's** also has an Education program, which Temple Chai IS eligible for – it is the program on the reverse of this form where you get a swipe card from the Temple. If you already use a different swipe card to benefit your children's school, and wish to continue to do that, then you may not also have the benefit go to Temple Chai. However, you can still make your purchases with Albertson's gift cards purchased at the Temple to benefit the Temple. Both the Temple and your children's schools will benefit – there is no conflict between the programs.
