- Registration form must be accompanied by the Non-Refundable Registration and Supply Fee.
- Tuition is a monthly rate that is based on a 10-month commitment. Monthly tuition is billed starting on July 15th (billed for August) and ends on April 15th (billed for May). These fees are non-refundable and non-transferable. The monthly tuition rate does not account for camps (i.e. Winter break camp, Spring break camp, and Summer break camp). I understand these camps will be an additional fee should I choose to enroll my child in them.
- All fees and balances must be current before registration can be accepted for the new school year. (Fees are not prorated for any reason).
- I understand that I am responsible for a 4-week written notice and payment for that 4-week period in the event that (a) my child will not begin preschool on the agreed upon date or (b) I withdraw my child. I understand that all tuition payments must be set up on an automatic payment system via Brightwheel. Please note that there will be a 3% service charge added for all credit card payments.
