Olam Chesed Yibaneh

Psalm 89:3

Olam chesed yibaneh

I will build this world from love...yai dai dai
And you must build this world from love...yai dai dai
And if we build this world from love...yai dai dai
Then God will build this world from love...yai dai dai

Goodbye by Patty Griffin

Occurred to me the other day / You've been gone now a couple years
Well, I guess it takes while / For someone to really disappear
And I remember where I was / When the word came about you
It was a day much like today / the sky was bright, and wide, and blue

And I wonder where you are / And if the pain ends when you die
And I wonder if there was / Some better way to say goodbye

Today my heart is big & sore / it's tryin' to push right through my skin
I won't see you anymore / I guess that's finally sinkin' in
'Cause you can't make somebody see / By the simple words you say
All their beauty from within / Sometimes they just look away

We Remember

adapted from "We Remember Them"
by Sylvan Kamens & Jack Riemer

music by Ken Chasen & Yoshi Zweiback

In the rising of the sun, we remember. In the blowing of the wind we remember.
In the opening of buds, we remember, we remember.

In the blueness of the sky, we remember. In the rustling of the leaves we remember.
As the starts and it ends, we remember, we remember.

When we're weary and need of strength, we remember.
When we're lost and sick at heart, we remember.
When we've joys we yearn to share, we remember, we remember.

So long as we live, they too shall live.
They are now a part of us, they are now a part of us, they are now a part of us,
as we remember, we remember, we remember.
